ORGANISES

A ONE-DAY NATIONAL LEVEL WORKSHOP

ON

PROMPTING THE FUTURE OF ENGLISH STUDIES THROUGH POSTHUMAN PEDAGOGY

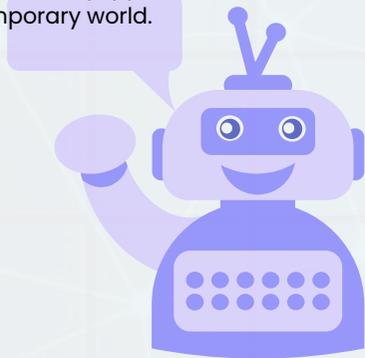

30 JANUARY 2026
9 a.m.
JUBILEE HALL

ABOUT THE COLLEGE

Fatima College, Mary Land, Madurai, is a Catholic minority institution, established and run by the Sisters of St. Joseph's Society of Madurai (of the Congregation of the Sisters of St. Joseph of Lyon). Fatima College, affiliated with Madurai Kamaraj University, was the dream of Rev. Sr. Rose Benedicte, the Founder, who envisioned women's empowerment through education 73 years ago. The College has established a reputation for excellence in all aspects of higher education and research. It has endeared itself to the people of southern Tamil Nadu by imparting value-based, holistic education to young women with the objective of giving preference to rural and economically backward women and first-generation learners. With the vision of empowering young women through faith formation and value-based education for societal equality, harmony and care for our common home, Fatima College enables the students to excel as responsible citizens, moved by the need for interdependence among human beings, society and the environment.

ABOUT THE DEPARTMENT

The Department of English (SF) stands as one of the dynamic and aspiring departments of Fatima College. Established in 2011, the department is committed to the holistic development of its students by nurturing both academic excellence and essential life skills. Beyond fostering literary competence and critical thinking, the department places strong emphasis on the enhancement of communication skills, confidence-building, and effective body language. Through a learner-centered approach, innovative pedagogical practices, and co-curricular engagements, the department strives to empower students to become articulate, self-assured, and socially responsible individuals, well-equipped to meet the demands of the contemporary world.

PROMPTING THE FUTURE OF ENGLISH STUDIES THROUGH POSTHUMAN PEDAGOGY

WORKSHOP HIGHLIGHTS

- Explore AI prompting and context engineering as emerging tools in posthuman pedagogy.
- Learn to integrate critical and creative prompting into teaching, research, and learning.
- Participate in hands-on sessions for designing study plans, syllabi, MOOCs, and research frameworks using AI
- Gain practical insights into evaluating and critiquing AI-generated academic and creative content.
- Engage in activities connecting Lower and Higher-Order Thinking (LOTS&HOTS) skills through intelligent prompts.
- Discover cross-disciplinary applications of prompting across the humanities, sciences, and social sciences.
- Network and collaborate with educators, researchers, and learners, shaping the digital and posthuman futures of English Studies

WHO CAN ATTEND?

- Faculty and Teachers of English and Humanities
- Research scholars in language, literature, and cultural studies
- Postgraduate and undergraduate students of English
- Curriculum designers and educational technologists
- Scholars from social sciences and allied disciplines interested in digital humanities
- Independent researchers exploring AI, creativity, and pedagogy
